A close-up photograph of a wooden floor featuring a herringbone pattern made of oak planks. The planks are arranged in a staggered, V-shaped layout. The wood has a natural, warm brown tone with prominent, wavy grain patterns and some darker staining or knots. The lighting is soft, highlighting the texture of the wood. In the bottom left corner, there is a text overlay in a light beige font. In the top left and bottom right corners, there are decorative white diagonal lines.
